p. iva 01517080097

Chiara Moreschi (Savona 1981), graduates in Industrial Design at the Milan Politecnico Design school in 2005, and in 2008 she opens his own design studio working on Industrial Design and Visual Communication.

She has the chance to partecipate to some competitions and workshops for companies as Colombo Design, Ballarini, Domus Academy, Martini spa, Vindesign, Mini Design Award.

She supports Matteo Ragni and Giulio Iacchetti in design teaching activity at Milan Politecnico Design school, Naba, Domus Academy and Academie Libanaise des Beux-arts di Beirut, Università di San Marino-IUAV Venezia, and she teaches at Istituto Marangoni Master Course in Product Design.

Among her designs Cipì, doorstopper, made in plastic for Outlook Design Italia, Albisola, ceramic mug for Mesa, Twink, suspension lamp for P&V Lighting.

In 2009 she presents the suspension lamp “Solitaire”, an oversize ring in plastic and crystals for P&V Lighting, and she organise together with other 4 designers the “Dismettiamola!” exhibition about the proper waste disposal during the Milan Design Week.

She realised the graphic for some catalogues and events as Pinetti, Globo Ceramica, Coop Eureka, IB Rubinetterie, 4Terzi.

Actually she collaborates with United Pets, Pinetti, P&V Lighting, Magppie, Outlook Zelco, Il Coccio, Lefel, Levoni.
